CONDITIONAL PETITION TO REVIVE AN UNINTENTIONALLY  
ABANDONED APPLICATION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby request that the Notice of Abandonment mailed on February 19, 2007 be withdrawn in view of the timely filed Issue Fee payment mailed on December 8, 2006.

**Statement of Facts:**

A Notice of Allowance and Issue Fee Due and a Notice of Allowability were mailed by the Patent Office on October 16, 2006. A response to that Notice of Allowance was due on January 16, 2007. In response to the outstanding Notice of Allowance, Applicant's attorney of record timely paid the issue fee and filed an accompanying fee transmittal (PTOL-85) on November 8, 2006. According to the records shown in public PAIR, the issue fee form PTOL-85 was received by the patent office on November 13, 2006 (Attachment A).

The issue fee transmittal included an authorization to charge the issue fee, together with the publication fee and the fee for advanced copies to our Deposit Account (Account No. 500388).

02 FC:1501 1400.00 DA

Upon reviewing the November Deposit Account Statement for our Deposit Account (see page 5 of Attachment B), it is apparent that the publication fee and the fees for the advanced copies were charged to the Deposit Account. However, the issue fee was apparently not charged to the Deposit Account. Based upon a review of the November Deposit Account Statement, it appears that possibly at the instant that the Patent Office attempted to hit up the Deposit Account, the balance had insufficient funds.

On the same day that the publication fee and the fees for the advanced copies were charged to the Deposit Account, a payment of \$20,000 was credited to the Deposit Account (see page 5 of Attachment B). That payment of \$20,000 was wired to the U.S. Patent Office from Comerica Bank on November 10, 2006, as is evidenced by the Commercial Checking Statement from our checking account, the relevant portion of which is attached as Attachment C. Our November 10, 2006 fax communication to Comerica requesting the \$20,000 wire transfer is also a part of Attachment C. Therefore, it appears that sufficient funds had already been provided to the Patent Office and that a reason that the funds may not have been reflected in Deposit Account No. 500388 is due to delay by the Patent Office.

Additionally, it is noted that on November 14, 2006, an additional payment of \$50,000 was wired to the U.S. Patent Office as is evidenced by the Commercial Checking Statement from our checking account (Attachment C) in combination with our November 14, 2006 fax communication to Comerica Bank requesting the transfer (Attachment D).

At all other times from November 14, 2006 to January 16, 2007 (a period of over two months), our Deposit Account had more than sufficient funds to cover the issue fee. Based upon our review of our November Deposit Account Statement for Deposit Account No. 500388, it appears that no other attempts were made to charge the Deposit Account and we did not receive any indication that an unsuccessful attempt was made to charge fees to our Deposit Account in this (or any other) case.

In view of the foregoing, it is respectfully submitted that Applicant's attorney made a good faith effort to submit payment of the issue fee within the time limit allotted, and well before the due date of January 16, 2007. Further it is respectfully submitted that sufficient funds should have been available in Applicant's representative's Deposit Account at the time the issue fee was paid. Accordingly, Applicant respectfully requests that the Notice of Abandonment in this application be withdrawn and the application be reinstated and passed to issuance in due course.

The undersigned respectfully requests and hereby authorizes that the issue fee payment be charged to Deposit Account No. 500388 (Order No. GENSP009C1).

Furthermore, if any fees are required in connection with the filing of this petition, the undersigned respectfully requests and hereby authorizes that such fees be charged to Deposit Account No. 500388 (Order No. GENSP009C1).

Should the Commissioner deny this petition to withdraw the Notice of Abandonment, please treat this paper as a contingent Petition to Revive the Application under 37 C.F.R.

**§1.137(b). The entire delay in paying the issue fee in the above-identified application from the date that such payment was due until the filing of this paper was entirely unintentional.**

If this paper is treated as a Petition to Revive under 37 C.F.R. §1.137(b), please charge Deposit Account No. 500388 in the amount of the petition fee set forth in 37 C.F.R. §1.17(m) and the issue fee amount. The Issue Fee Due Form (PTOL-85) was previously filed and a copy of that paper is included herewith as Attachment A for informational purposes. Please reference Atty. Docket No. GENSP009C1 when charging the Deposit Account.

The undersigned, Michael J. Ferrazano, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application resulting therefrom.

Respectfully submitted,
